ANNUAL REPORT
— 2025-26

Meghna RealtyTM

Where it Counts

Meghna Infracon Infrastructure Limited

THE CITY THAT DRIVES A NATION. THE BRAND THAT DELIVERS WHERE IT COUNTS.

- ✓ Mumbai contributes over 6% of India's GDP and ranks as the financial capital of the country. Mumbai sets the pace for the nation in finance, culture, and aspiration. and Meghna Realty quietly shapes how its elite live.
- ✓ As a publicly listed company with 50+ years of on-ground success, we develop freehold land in core micro-markets, with a focus on scarcity, permanence, and investor-grade design building ahead of where the city is headed.

INDIA'S GROWTH IS DESIGNED TO ARRIVE

PUBLICLY LISTED. PRIVATELY TRUSTED. POWERFULLY PROVEN.

- ✓ Meghna Realty is a Public Limited Company listed on the Bombay Stock Exchange and permitted to trade on the National Stock Exchange, led by the vision of Mr. Vikram Lodha. With a legacy spanning over five decades and over 10 lakh sq.ft. delivered across Mumbai, the company is committed to building Where It Counts in location, quality, and long-term value.

- ✓ **STRONG PRESENCE ACROSS THE WESTERN SUBURBS..**
- ✓ **DEVELOPMENT FORMATS: RESIDENTIAL, RETAIL, BOUTIQUE COMMUNITIES**

DESIGNING VALUE. DELIVERING TRUST.

- ✓ **VISION:**
To lead with impact, set new benchmarks of excellence and shape industries while contributing meaningfully to societal progress.
- ✓ **MISSION:**
To deliver forward-thinking solutions and exceptional experiences that create enduring value for stakeholders, partners, and communities.

EVERY DECISION WE TAKE, COUNTS

WE DON'T BUILD EVERYWHERE. WE BUILD WHERE IT COUNTS.

- ✓ We acquire only high-potential land parcels in transformational locations.
- ✓ We develop with expert partners and visionary architects.
- ✓ We focus on low-density formats that create lasting value.
- ✓ We ensure our homes deliver not just square footage, but significance.

EXCELLENCE ISN'T CLAIMED. IT'S CERTIFIED.

ISO 9001:2015 –
Quality Management System
Certified for consistent delivery, customer
satisfaction, and operational discipline
across all developments.

ISO 14001:2015 –
Environmental Management System
Certified for sustainable construction
practices, resource efficiency, and long-term
environmental impact control.

- ✓ Meghna Infracon Infrastructure is ISO 9001:2015 and ISO 14001:2015 certified a rare dual distinction that reinforces our commitment to world-class quality and environmentally conscious construction.

LED BY PURPOSE. DRIVEN BY PRECISION.

- ✓ A second-generation entrepreneur with deep market foresight, Mr. Vikram Lodha leads Meghna Realty with a philosophy anchored in purpose, precision, and performance. He believes in agile execution, financial transparency, and creating developments of long-term repute.
- ✓ With decades of real estate and land acquisition experience focused on micro-market leadership, he is recognized for ethical delivery and investor-focused thinking.

5. Members may note that the Board, at its meeting held on May 26, 2026, has recommended a final dividend of ₹ 0.25 per share. The **record date** for the purpose of final dividend for financial year ended March 31, 2026 is **September 17, 2026**. The final dividend, once approved by the members in the ensuing AGM, will be paid on or after September 30, 2026 and before October 29, 2026, electronically through various online transfer modes to those members who have updated their bank account details. For members who have not updated their bank account details, dividend warrants / demand drafts / cheques will be sent to their registered addresses. To avoid delay in receiving dividend, members are requested to update their KYC with their depositories (where shares are held in dematerialized mode) to receive the dividend directly into their bank account on the payout date.
6. Members are requested to note that, in order to avoid any loss/ interception in postal transit and also to get prompt credit of dividend through NECS / ECS they should submit their NECS/ECS details to the Company’s RTA. The requisite NECS/ECS application form can be obtained from the Company’s RTA.
7. Since the 19thAGM will be held through VC / OAVM, therefore we not required to annex the Route Map in this Notice.

8. Corporate Members intending to send their authorized representatives to attend the AGM are requested to send a duly certified copy of their Board Resolution authorizing their representatives to attend and vote at the AGM.
9. Members who would like to express their views or ask questions during the AGM may register themselves as a speaker by sending their request from their registered email address mentioning their name, DP ID and Client ID/folio number, PAN, mobile number at info@meghnarealty.com from Saturday, September 26, 2026 at 09:00 a.m. to Monday, September 28, 2026 at 05:00 p.m. Those Members who have registered themselves as a speaker will only be allowed to express their views / ask questions during the AGM. The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM.
10. As per the provisions under the MCA Circulars, Members attending the 19th AGM through VC shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013. Participation at the AGM through VC shall be allowed on a first-come-first-served basis
11. Only registered members of the Company, as on the cut-off date decided for the purpose, being **Friday, September 25, 2026**, may attend and vote at the Annual General Meeting as provided under the provisions of the Companies Act.
12. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts.
13. Electronic copy of the Annual Report for 2025-26 is being sent to all the members whose email IDs are registered with the Company/Depository Participants(s) for communication purposes unless any member has requested for a hard copy of the same. Members may further note that the said documents will also be available on the Company's website for download. Physical copies of the aforesaid documents will also be available at the Company's registered office for inspection during normal business hours on working days.
14. Members who have not registered their e-mail addresses so far are requested to register their e-mail addresses for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company electronically.
15. Shailendra Kumar Dwivedi, Practicing Company Secretary (Membership No. A73645) of M/s. S K Dwivedi & Associates, Practicing Company Secretaries, have been appointed as the Scrutinizer to scrutinize the remote e-voting process as well as voting at the meeting, in a fair and transparent manner.
16. In case of joint holders attending the Meeting, the member whose name appears as the first holder in the order of names as per Register of Members will be entitled to vote.
17. Members are entitled to exercise their rights to vote through remote e-voting or vote during the Annual General Meeting of the Company.

18. The Instructions Of Shareholders For Remote E-Voting Are As Under:

- i. The voting period begins on **Sunday, September 27, 2026 from 09:00 AM** and ends on **Tuesday, September 29, 2026 to 05:00 PM**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Friday, September 25, 2026** may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

EXPLANATIONS OR COMMENTS BY THE BOARD ON EVERY QUALIFICATION, RESERVATION OR ADVERSE REMARK OR DISCLAIMER MADE:

A] By the Statutory Auditor in his report:

The observation made in the Auditors' Report and the reply by the management is as follows –

Auditor's Remark 1 –

The company has not registered with the Employee Provident Fund Organization despite meeting the mandatory employee strength threshold. Consequently, the company has not made necessary contributions to the PF account. The exact amount of liability (including interest/penalties) for the current has not been quantified. Therefore, in our opinion, the Provision for Liabilities to the extent is understated.

Management's Reply –

The number of employees increased at the end of March, resulting in the Company becoming eligible for registration under the Employees' Provident Fund (EPF) provisions. Accordingly, the Company was not registered under EPF during the relevant period. However, the Company subsequently completed the necessary registration and has complied with the applicable EPF requirements.

Auditor's Remark 2 –

The company is required to make provision for gratuity in respect of its employees as required under Payment of Gratuity Act, 1972 and also as per new labour code by following accrual basis and conducting the valuation by following independent actuarial valuations as at the balance sheet date as mandated by Indian Accounting Standard -19 on Employee Benefits prescribed in the Companies (Indian Accounting Standards) Rules 2015, as amended. The Company has not made any provision for gratuity and the said non provision is contravention of "Ind AS 19". We are unable to ascertain the financial implication of the same. The net profit for the year and cumulative net profit are overstated and provisions are understated to that extent.

Management's Reply –

The number of employees increased at the end of March, resulting in the Company becoming eligible for the same. The Company has decided to recognize and provide for the Gratuity liability at the end of financial year based on the actuarial valuation.

B] By the Secretarial Auditor in his report:

As required under section 204 (1) of the Companies Act, 2013 the Company has obtained a secretarial audit report. There are no adverse remarks made by the Secretarial Auditor and therefore do not call for any further comments.

COST AUDIT AND MAINTANANCE OF COST RECORDS:

The Cost Audit as specified by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, is not required and accordingly no such cost accounts and records are made and maintained by the Company.

FRAUD REPORTING:

During the year under review, the Statutory Auditor and Secretarial Auditor have not reported any instances of frauds committed in the Company by its officers or employees to the Audit Committee under Section 143 (12) of the Companies Act, 2013 details of which need to be mentioned in this Report.

BUSINESS RISK MANAGEMENT:

During the year, the company has developed and implemented Risk Management Policy consistent with the provisions of the Act and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 to identify the elements of risk which may threaten the existence of the Company and possible solutions to mitigate the risk involved.

At present the company has not identified any element of risk which may threaten the existence of the company.

CHANGE IN NATURE OF BUSINESS:

During the year under review, there was no change in the business of the Company.

MATERIAL CHANGES AND COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION OF THE COMPANY WHICH HAVE OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR OF THE COMPANY TO WHICH THE FINANCIAL STATEMENTS RELATE AND THE DATE OF THE REPORT:

There have been no material changes affecting the financial position of the company which have occurred between the end of the financial year of the company to which the financial statements relate and the date of the report.

COMPLIANCE WITH SECRETARIAL STANDARDS:

The Company has complied with the Secretarial Standards issued by The Institute of Company Secretaries of India on Meetings of the Board of Directors and General Meetings.

COMPLIANCE UNDER MATERNITY BENEFIT ACT, 1961:

The Company is compliant of the provisions relating to the Maternity Benefit Act, 1961.

SIGNIFICANT OR MATERIAL ORDERS PASSED BY REGULATORS OR COURTS OR TRIBUNALS:

During the year under review, there were no significant or material orders passed by any regulators or courts or tribunals impacting the 'going concern' status of the Company and its future operations.

PROCEEDINGS UNDER INSOLVENCY AND BANKRUPTCY CODE, 2016:

There are no proceedings, either filed by the Company or against the Company, pending under the Insolvency and Bankruptcy Code, 2016 as amended, before the National Company Law Tribunal or other Courts as on 31st March, 2026.

DETAILS OF DIFFERENCE BETWEEN AMOUNT OF THE VALUATION DONE AT THE TIME OF ONE TIME SETTLEMENT AND THE VALUATION DONE WHILE TAKING LOAN FROM THE BANKS OR FINANCIAL INSTITUTIONS ALONG WITH THE REASONS THEREOF:

There are no instances of one time settlement during the financial year.

ACKNOWLEDGEMENTS:

Your Company and its Directors wish to extend their sincerest thanks to the Members of the Company, Bankers, State Government, Local Bodies, Customers, Suppliers, Executives, Staff and employees at all levels for their continuous cooperation and assistance.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Overview

Indian real estate sector continued to demonstrate resilient structural growth, supported by rising urbanisation, improving household incomes, favorable demographics and sustained end-user demand. Residential real estate remained a key growth segment, with buyers increasingly prioritising branded developers, construction quality, timely delivery, amenities and well-connected locations. The sector also witnessed premiumisation, with demand shifting towards larger and higher-quality homes, while disciplined launches kept inventory levels broadly healthy.

Mumbai Metropolitan Region (MMR) remains India's largest residential market, supported by its strong economic base, limited land availability and ongoing infrastructure development. In CY2025, MMR recorded housing sales of 97,188 units, growing 1% YoY, while new launches moderated to 87,114 units, down 10% YoY, reflecting calibrated supply and phased inventory releases. Residential prices increased by 7% YoY to ₹8,856 per sq. ft., while unsold inventory declined 6% YoY, indicating a broadly balanced demand-supply environment.

Within MMR, peripheral and emerging micro-markets continued to gain traction as homebuyers sought relative affordability, larger configurations and improving connectivity. Major infrastructure initiatives, including metro expansion, road connectivity, the Mumbai Trans Harbour Link, Coastal Road and Navi Mumbai International Airport, are strengthening residential growth corridors.

Looking ahead, the MMR residential market is expected to remain resilient, supported by improving affordability, easing interest rates, infrastructure-led development and premiumisation. Increasing consolidation towards established developers is expected to reinforce the importance of execution capability, quality and timely delivery.

Business Developments

During FY2025-26, the Company continued to strengthen its operating platform and project portfolio. At the end of FY26, the Company had five ongoing projects with an aggregate estimated GDV of approximately ₹282.69 crore and a project area of approximately 2.90 lakh sq. ft.

The Company has also built a meaningful upcoming project pipeline comprising 11 identified projects with an aggregate estimated area of approximately 14.15 lakh sq. ft. and estimated GDV of approximately ₹2,151 crore. The pipeline spans several strategically located micro-markets and is expected to provide opportunities for progressive expansion of the Company's development activities.

The Company continues to follow an opportunity-led approach to project additions, evaluating location, development potential, project structure, execution feasibility and expected risk-return characteristics before committing resources.

Business Model and Strategic Approach

The Company's business model is focused on creating value through residential development and redevelopment opportunities in established urban locations.

The redevelopment-led approach provides access to attractive locations while potentially reducing the capital intensity associated with outright land acquisition. The Company seeks to combine local market understanding with disciplined project execution and selective capital deployment.

Going forward, the Company intends to maintain a balanced approach towards project sourcing, including redevelopment opportunities, partnerships and other development structures where the underlying economics and execution profile are attractive.

The strategy remains focused on building a scalable portfolio rather than pursuing growth at the expense of financial or operational discipline.

Opportunities and threats

Opportunities

1. Mumbai residential demand and premiumisation

Mumbai and the wider MMR continue to benefit from strong end-user demand, rising household incomes and a growing preference for quality, well-connected and amenity-led homes. The continued shift towards premium housing creates opportunities for developers with differentiated product offerings, strong execution capabilities and established market presence. The peer FY26 reports also identify premium and luxury housing as a key structural opportunity.

2. Redevelopment-led growth

Redevelopment represents a significant structural opportunity in Mumbai, given the ageing housing stock, scarcity of developable land and strong demand for modern residential spaces in established locations. As redevelopment gains momentum across Mumbai's established micro-markets, developers with local market knowledge, execution capabilities and the ability to effectively manage stakeholder requirements are well positioned to participate in this opportunity. The growing prominence of redevelopment is also reflected in the FY26 strategies of leading developers operating in Mumbai.

3. Infrastructure-led expansion

Continued investments in metro networks, roads, coastal connectivity and other urban infrastructure are improving accessibility across MMR and supporting the emergence of new residential micro-markets. Improved connectivity is expected to expand the addressable market for residential development and create opportunities in strategically located peripheral and emerging corridors.

4. Opportunities through JVs and strategic acquisitions

The ongoing consolidation of the real estate sector is creating opportunities to acquire land parcels, enter joint development arrangements and undertake redevelopment projects with landowners and housing societies. Leading developers are increasingly using acquisitions and JVs to build future project pipelines.

Threats

The Company operates in a highly regulated and capital-intensive industry, and its performance may be affected by factors beyond its control, including:

Regulatory and approval delays: Delays in land, construction, environmental and other statutory approvals may affect project timelines, increase carrying costs and impact project feasibility.

Construction cost inflation: Volatility in prices of cement, steel and other construction materials, together with labour costs, may increase project costs and exert pressure on margins.

Availability of skilled labour: Shortages of skilled manpower can affect construction schedules and increase execution costs.

Interest rate and financing risk: Changes in interest rates and availability/cost of capital can affect both homebuyer affordability and the Company's financing costs.

Competition and affordability: Increasing competition, particularly from well-capitalised organised developers, may place pressure on pricing, customer acquisition and market share. At the same time, continued property price increases could constrain affordability in certain customer segments.

Redevelopment execution risk: Redevelopment projects may involve extended negotiations with society members, approval requirements, rehabilitation obligations and execution complexities, which could impact project timelines and costs

Outlook

The Company continues to explore the possibilities of expansion in its present activities and will also make the necessary investments when attractive opportunities arise. Your Company is well placed to seize the long-term opportunity in real estate market in India.

Risks and Concerns

Secretarial Audit Report

To,
The Partners/Designated partners of
MEGHNA INFRACON LLP
(LLPIN: ABE-6446)

Financial Year 2025-26

We have conducted the secretarial audit of the compliance of applicable statutory provisions and adherence to good secretarial practices by **MEGHNA INFRACON LLP** ("the LLP") for the financial year ended 31 March 2026. Our audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate and secretarial compliance systems and processes of the LLP.

Basis of Audit

We have examined the records, statutory filings, LLP Agreement, forms and returns filed with the Registrar of Companies (LLP), and other documents as made available to us by the management of the LLP for the period under review. The audit has been conducted to verify compliance with the provisions of the Limited Liability Partnership Act, 2008, the LLP Rules, 2009, and the provisions of the LLP Agreement, to the extent applicable.

We have also relied on such management representations as were provided to us, particularly in respect of matters relating to litigation, regulatory proceedings, and completeness of information produced for our verification.

Audit Scope and Approach

During the course of the audit, we have examined and reviewed, on a test-check basis:

- Incorporation documents and the Certificate of Incorporation of the LLP.
- LLP Agreement and supplementary LLP Agreement's.
- Forms and returns filed with the Registrar of Companies (LLP) including Forms 3, 4, 8 and 11 for relevant financial years.
- Records relating to admission, cessation and change of partners and designated partners.
- Proof of registered office, including supporting documents and geo-tagged photographs.

Our audit is neither an investigation nor a financial audit and does not express an opinion on the financial statements of the LLP.

Compliance Status and Observations

1. Incorporation and Legal Status

- The LLP has been duly incorporated under the provisions of the Limited Liability Partnership Act, 2008 and holds a valid Certificate of Incorporation.
- During the audit period, the LLP continued to exist as a separate legal entity distinct from its partners; contracts, registrations, bank accounts and business transactions examined were carried out in the name of the LLP.
- Assets examined during the audit were held in the name of the LLP, and the LLP maintained the statutory minimum number of partners and designated partners throughout the period under review.

Observation: No material non-compliance was observed under this heading based on the records and information made available to us.

2. Partners and Designated Partners

- The LLP maintained at least two partners and two designated partners during the audit period, in accordance with the LLP Act and LLP Rules.
- A body corporate partner continued to exist and its nominee acted as Designated Partner in accordance with the LLP Agreement.

Observation 2.1 - Delay in filing Form 4 (Appointment of Designated Partner)

- A resolution for appointment of a Designated Partner was passed on 30 November 2024; however, Form 4 in respect of such appointment was filed with the Registrar on 29 May 2025, beyond the prescribed period of 30 days.
- The LLP paid additional filing fees of ₹1,000 on account of delayed filing.

Implication: This constitutes non-compliance with the filing timeline prescribed under Section 7 of the LLP Act, 2008 read with the applicable LLP Rules in relation to appointment of Designated Partners.

Observation 2.2- Retirement/Cessation Procedure (Change of Nominee)

- The LLP Agreement requires a retiring partner to provide a minimum notice period of three months.
- During the audit, it was noted that in case of change of nominee representing the body corporate partner, the notice requirement stipulated under the LLP Agreement was not complied with.

Implication:

Non-compliance with the procedural requirements contained in the LLP Agreement relating to retirement/cessation/change of nominee.

REENA JAIN & ASSOCIATES

Company Secretary

Regd. Office: 605-606 The corporate Centre, Nirmal Lifestyle, L.B.S Marg, Mulund

(Tel) : 9820872378 Email ID : csreena9196@gmail.com

3. Registered Office

- The LLP maintained a registered office throughout the financial year under review.
- The registered office address appearing in the records of the Ministry of Corporate Affairs (MCA) matched the address maintained by the LLP, and proof of registered office together with geo-tagged photographs were produced for verification.

Observation:

No material non-compliance was observed with respect to maintenance and disclosure of registered office.

4. Name and Publication Requirements

- The LLP continued to use its registered name with the suffix "Limited Liability Partnership" / "LLP" in its documents during the year.
- Invoices and agreements examined during the audit contained the name of the LLP, its registered office address, and reference to its status as an LLP.

Observation 4.1 – Non-mention of LLP Identification Number (LLPIN)

During the course of the audit, it was observed that the **Agreement for Sale** provided for verification (which was considered as a supporting document in the nature of an invoice/business document) **did not contain the LLP Identification Number (LLPIN)** of the LLP.

Implication:

Section 21 of the **Limited Liability Partnership Act, 2008** requires every LLP to ensure that its invoices, official correspondence and publications bear its name, registered office address, registration number (LLPIN), and a statement that it is registered with limited liability, where applicable. Non-mention of the LLPIN on such documents constitutes non-compliance with the requirements of Section 21 of the LLP Act, 2008.

5. Books of Account and Statement of Account & Solvency (Form 8)

- The LLP maintained books of account for the financial year under review.

Observation 5.1 – Delay in filing Statement of Account and Solvency (Form 8).

REENA JAIN & ASSOCIATES

(Tel) : 9820872378 Email ID : csreena9196@gmail.com

- **FY 2022-23 (Year ended 31.03.2023):**
Form 8 was filed on 27.01.2024 vide SRN M28501576, after the prescribed due date of 30.10.2023.
- **FY 2023-24 (Year ended 31.03.2024):**
Form 8 was filed on 30.10.2025 vide SRN M30445370, after the prescribed due date of 30.10.2024.

Implication:

The delayed filing of Form 8 for the above financial years constitutes non-compliance with Section 34(2) of the Limited Liability Partnership Act, 2008, which requires every LLP to prepare and file the Statement of Account and Solvency within the prescribed time.

6. Annual Return (Form 11)

The LLP has filed its Annual Return (Form 11) with the Registrar within the prescribed time for the financial years under review.

- **FY 2022-23 (Year ended 31.03.2023):** Form 11 was filed on 27.05.2023 vide SRN M27944882, within the prescribed due date.
- **FY 2023-24 (Year ended 31.03.2024):** Form 11 was filed on 29.05.2024 vide SRN M28890952, within the prescribed due date.
- **FY 2024-25 (Year ended 31.03.2025):** Form 11 was filed on 23.05.2025 vide SRN M29920793, within the prescribed due date.
- **FY 2025-26 (Year ended 31.03.2026):** Form 11 was filed on 27.05.2026 vide SRN M31203119, within the prescribed due date.

Observation:

No non-compliance was observed with respect to the filing of Form 11 under the provisions of the LLP Act, 2008.

7. Minutes of Meetings

The Limited Liability Partnership Act, 2008 does not prescribe any mandatory requirement for maintenance of minutes of meetings of partners or designated partners. However, Clause XI of the LLP Agreement dated 15 July 2022 requires the LLP to maintain minutes of meetings of the partners/designated partners.

Observation 7.1 – Non-maintenance of Minutes

REENA JAIN & ASSOCIATES

Company Secretary

Regd. Office: 605-606 The corporate Centre, Nirmal Lifestyle, L.B.S Marg, Mulund (West), Mumbai-400080, Maharashtra, India.

(Tel) : 9820872378 Email ID : csreena9196@gmail.com

During the course of the audit, it was observed that the LLP has **not maintained the minutes of meetings** as required under the LLP Agreement.

Implication:

This constitutes **non-compliance with the provisions of the LLP Agreement**. Although there is **no specific violation of the LLP Act, 2008 or the LLP Rules, 2009** in this regard, failure to comply with the contractual obligations under the LLP Agreement may affect governance, documentation of decisions, and evidentiary support for actions taken by the partners.

8. Register of Partners

Pursuant to Rule 22A of the Limited Liability Partnership Rules, 2009, every Limited Liability Partnership is required to maintain a Register of Partners in Form 4A at its registered office.

Pursuant to Rule 22B Based on the records and management representations made available to us, no arrangement involving beneficial interest in the contribution of the LLP existed during the financial year under review. Accordingly, the provisions of Rule 22B of the LLP Rules, 2009 relating to declarations in Form 4B and Form 4C were not applicable to the LLP

Observation 8.1 – Non-maintenance of Register of Partners

During the course of the audit, it was observed that the LLP had not maintained the Register of Partners in Form 4A at its registered office as prescribed under Rule 22A of the Limited Liability Partnership Rules, 2009.

Implication:

The non-maintenance of the Register of Partners constitutes non-compliance with Rule 22A of the Limited Liability Partnership Rules, 2009, which mandates every LLP to maintain a Register of Partners in Form 4A at its registered office.

9. Litigation, Prosecution and Regulatory Proceedings

Based on management representations and records produced for our verification during the audit:

- No prosecution proceedings were initiated against the LLP during the audit period.
- No adjudication orders were passed against the LLP during the year under review.
- No regulatory proceedings involving Designated Partners of the LLP were reported to us.

7	Governance Documentation	Minutes of meetings of partners/designated partners were not maintained as required under the LLP Agreement.	Clause XI of the LLP Agreement	Low

Recommendations

Based on the observations made during the course of our compliance review, we recommend that the LLP:

1. Ensure timely filing of all statutory forms and returns under the Limited Liability Partnership Act, 2008 to avoid additional fees and regulatory non-compliances.
2. Maintain complete supporting documentation for appointment, cessation and changes relating to Partners and Designated Partners, including all prescribed consents and declarations.
3. Strictly comply with the provisions of the LLP Agreement, particularly in relation to governance procedures, notice requirements and maintenance of records.

4. Ensure that all invoices, agreements and official correspondence contain the LLP's name, registered office address and LLP Identification Number (LLPIN) as required under the LLP Act, 2008.
5. Maintain proper governance documentation, including minutes of meetings wherever required under the LLP Agreement.
6. Implement a periodic compliance review mechanism to monitor statutory compliances and ensure timely corrective action wherever necessary.

Disclaimer and Auditor's Responsibility

Maintenance of secretarial records and ensuring statutory and contractual compliance is the responsibility of the management of the LLP. Our responsibility is to express an opinion on these secretarial records based on our audit and the information and explanations provided to us.

We have followed generally accepted secretarial audit practices and principles in India, applying test checks as considered appropriate to obtain reasonable assurance about compliance; however, the audit cannot be construed as a guarantee of full compliance, particularly where reliance is placed on management representations and where records were not available or not produced.

Conclusion

Subject to the qualifications, non-compliances and observations stated in this report and based on our examination of the relevant records and information made available to us, in our opinion, the LLP has, during the financial year ended 31 March 2026, broadly complied with the applicable provisions of the Limited Liability Partnership Act, 2008, the LLP Rules, 2009 and the LLP Agreement, except in respect of the matters specifically reported as non-compliances above.

INDEPENDENT AUDITORS' REPORT

To the Member of Meghna Infracon infrastructure limited

Report on the Audit of the Financial Statements

We have audited the standalone financial statements of Meghna Infracon infrastructure Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the **Emphasis of Matter**, the aforesaid standalone financial statement the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit, Change in Equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

- a) The company has not registered with the Employee Provident Fund Organization despite meeting the mandatory employee strength threshold. Consequently, the company has not made necessary contributions to the PF account. The exact amount of liability (including interest/penalties) for the current has not been

quantified. Therefore, in our opinion, the Provision for Liabilities to the extent is understated.

- b) The company is required to make provision for gratuity in respect of its employees as required under Payment of Gratuity Act, 1972 and also as per new labour code by following accrual basis and conducting the valuation by following independent actuarial valuations as at the balance sheet date as mandated by Indian Accounting Standard -19 on Employee Benefits prescribed in the Companies (Indian Accounting Standards) Rules 2015, as amended. The Company has not made any provision for gratuity and the said non provision is contravention of "Ind AS 19". We are unable to ascertain the financial implication of the same. The net profit for the year and cumulative net profit are overstated and provisions are understated to that extent.
- c) Demand of Rs. 36.84 crores raised by the income tax authorities and order issued by the Income Tax authorities for assessment year 2018-19. Company has filed the appeal against the Order. The Company has been advised by the Tax expert that the above demand order is not tenable in law. The assumption of going concern is essentially dependent on winning of appeal against this order.

Our opinion is modified in respect of these matters.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report Including Annexure to Board's Reports, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the

work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Managements and Board of Directors' Responsibility for the Standalone Financial Statements

The Management and Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013("the act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is

higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-Section (11) of section 143 of the Act,

we give in the Annexure-A, statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial Statements comply with applicable Ind AS specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016, as amended from time to time and other accounting principles generally accepted in India.
- e) On the basis of the written representations received from the directors as on March 31, 2026, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigation on its financial position in its financial statements – Refer Note 30(ii) to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company during the year ended 31st March 2026.
 - iv. (a) The management has represented that , to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or

share premium or any other sources or kind of funds) by the Company to or in any other persons or entities including foreign entities ("intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like form on behalf of the Ultimate Beneficiaries.

(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or like form on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under clause iv (a) and (b) contain any material misstatement.

(v) The dividend declared and paid during the year by the Company is in compliance with section 123 of the Act.

(vi) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

ANNEXURE-B TO INDEPENDENT AUDITORS' REPORT

The Annexure referred to in paragraph 2(f) under the 'Report on Other Legal and Regulatory Requirements' of our report to the members of **Meghna Infracon infrastructure Limited** ("The Company") for the year ended on March 31, 2026.

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013. ("The Act")

We have audited the internal financial controls over financial reporting of **Meghna Infracon infrastructure Limited** ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The standalone financial statements ('the financial statements') of MIIL for the year ended 31 March 2026 were authorised for issue in accordance with resolution of the Board of Directors on 26 May 2026.

2) Statement of Compliance:

The Financial Statements comprising of the Balance Sheet, Statement of Profit or Loss, Statement of Changes in Equity, Cash Flow Statement together with significant accounting policies and notes for the year ended March 31, 2026 have been prepared in accordance with "Ind AS" as prescribed under section 133 of the companies Act, 2013 read with the companies (Indian Accounting Standards) Rules as amended from time to time.

3) Basis of Preparation of Financial Statements:

- a) The financial statements of the Company have been prepared on going concern basis, to comply in all material respects with the Indian Accounting Standards ('Ind AS') as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Companies (Indian Accounting Standards) Rules as amended from time to time and guidelines issues by Securities and Exchange Board of India (SEBI) to the extent applicable.
- b) The financial statements have been prepared under the historical cost convention, with the exception of certain financial assets and liabilities, which have been measured at fair value, on an accrual basis of accounting.
- c) The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are presented in ` Lacs (` 00,000), except when otherwise indicated.
- d) The statement of cash flows has been prepared under indirect method. Whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company segregated.

4 Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

5. Key accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

A. Deferred Tax Assets:

The realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies and the timing for expiration of such losses under applicable tax laws.

Based on the projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

B. Provisions and contingent liabilities:

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The Company uses significant judgements to assess contingent liabilities. Contingent liabilities are recognized when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognized nor disclosed in the financial statements

6. Revenue Recognition

a) Sale of shares:

Sale of shares is recognized when the settlement of transaction of sale and purchase of securities take place.

b) Contract Revenue:

i) Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expect to receive in exchange for those products or services. The Company derives revenues primarily from providing construction and real estate services.

ii) The Company evaluates whether the performance obligations in construction and real estate services are satisfied at a point in time or over time. The performance obligation is transferred over time if one of the following criteria is met: -

- As the entity performs, the customer simultaneously receives and consumes the benefits provided by the entity's performance.

- The entity's performance creates or enhances an asset (e.g., work in progress) that the customer controls as the asset is created or enhanced.

- The entity's performance does not create an asset with an alternative use to the entity and the entity has an enforceable right to payment for performance completed to date.

The percentage-of-completion of a contract is determined by the proportion that contract costs incurred for work performed upto the reporting date bear to the estimated total contract costs. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved.

c) Other Income:

i) Interest Income

Interest income (other than interest on income tax refund) is accrued on a time proportion basis, by reference to the principal outstanding and the applicable Effective Interest Rate (EIR).

ii) Dividend income

Dividend is recognised when the right to receive the payment is established, which is generally when shareholders approve the dividend.

iii) Other non-operating income

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

7. Fair value measurement of financial instrument:

The Company measures financial instruments, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, In the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

8) Financial assets, financial liabilities and equity instruments:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

Cash and cash equivalents:

The Company considers all highly liquid investments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value, to be cash equivalents. Cash and cash equivalents consist of balances with banks and deposits with bank which are unrestricted for withdrawal and usage.

Financial assets at amortized cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate method. Impairment gains or losses arising on these assets are recognised in the statement of Profit and Loss.

Financial assets at fair value through other comprehensive income:

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments and investment in mutual funds not held for trading in other comprehensive income

Financial assets at fair value through profit or loss:

Financial assets are measured at fair value through profit or loss unless they are measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in statement of profit and loss.

Financial liabilities:

Financial liabilities are measured at amortized cost using the effective interest method.

Equity instruments:

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received net of direct issue cost.

8. Property plant and equipment

A) Tangible Assets

PPE are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to PPE is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss in the same period.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied.

The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Gains and losses on disposals of PPE are determined by comparing proceeds with carrying amount. These are accounted in the Statement of Profit and Loss under head 'Other income' and 'Other expenses'.

B) Capital work-in-progress

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

C) Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of that assets can be measured reliably. Intangible assets are stated at original cost (net of tax/duty credit availed), if any, including borrowing cost capitalised for qualifying assets and reduced by accumulated amortisation and cumulative impairment, if any.

Intangible assets mainly comprise of license fees and implementation cost for software and other application software acquired / developed for in-house use.

9) Depreciation and amortization Expenses

Depreciation on tangible assets is provided on the Written down value basis method over the useful lives of assets. Depreciation for assets purchased/sold during the year/period is proportionately charged. Intangible

assets are amortized over the respective individual estimated useful lives on a written down value basis, commencing from the date the asset is available for its use.

The useful lives are as per Schedule II to the Act except in case of certain assets, where the useful life is based on technical evaluation by management.

Assets Category	Use ful life (in years)
Computers	3 years
Computer Software	3 years
Vehicles	8 years
Air Conditioners	10 years
Furniture and Fixture	10 years
Printers	3 years

10) Inventories

i. Inventories of shares are valued at cost or Market value whichever is lower. The Stock of construction materials, stores and spares parts are values at cost or net realizable value whichever is lower.

ii. Stock of material at site include cost of purchase, other cost incurred in bringing them to their present location and condition. Cost formula used is average cost.

iii. The incomplete projects include cost of incomplete properties for which the firm has not entered into the sale agreements and in other case where the revenue recognition is postponed. Incomplete projects also include initial project cost that relate directly to a (prospective) project, incurred for the purpose of securing the project.

iv. Expenses incurred during the year are distributed /bifurcate to incomplete project cost on the basis of their investment made up to the year end.

v. Inventories value includes cost incurred up to completion of the projects viz. cost of land /rights, value of floor space, materials, services and other expenses (including borrowing cost) attributable to the projects. Cost formula used is average cost

11) Borrowing Costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR(effective interest rate) amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they incurred.

12) Foreign Currency Transactions

Transactions in foreign currency i.e. other than the Company's functional currency of India Rupees are recognized at the rate of exchange prevailing at the date of transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rate prevailing at that date. Non-

monetary items carried at fair value that are denominated in foreign currency are retranslated at the rate prevailing at that date when fair value was determined. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated. Exchange difference on monetary items is recognized in profit or loss in the period in which they arise.

13) Employee Benefits

The Provident Fund and Gratuity are applicable as the number of employees cross the threshold limit but the company are less than is yet not registered with Provident Fund authorities. The company is not making any provision of gratuity the required by respective act.

Other Employee Benefits like leave encashment is being accounted on payment basis.

14) Taxes on Income

Tax expenses comprise of current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

a) Current tax

Income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment.

The Company reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

b) Deferred Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on

deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and the deferred tax relate to the same taxable entity and the same taxation authority.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss, either in other comprehensive income (OCI) or in equity. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

15) Events Occurring After the Balance Sheet Date

Events occurring after the date of the Balance Sheet, which provide further evidence of conditions that existed at the Balance Sheet date or that arose subsequently, are considered up to the date of approval of accounts by the Board of Directors, were material.

16) Impairment of Assets

In accordance with Ind AS 109, the Company applies the expected credit loss ('ECL') model for measurement and recognition of impairment loss on financial assets and credit risk exposures. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables and contract assets. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

or recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

17) Trade payables

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for

goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method. Trade payables ageing has been presented based on the due date of payment.

18) Trade receivables

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at transaction price and subsequently measured at amortised cost using the EIR method, less provision for impairment. Trade receivables ageing has been presented based on the due date of payment.

19) Investments

a) Investments are classified into current and noncurrent. Investments are stated as lower of cost and fair value. A provision for diminution in value is made to recognize decline, other than temporary in the value of long investments.

b) Current account in Partnership Firms and Joint Ventures represents additional contribution, share of profit and losses, Interest on Partner Capital's, opening balance, excess withdrawal of funds, additional contribution and share of profits to the extent not withdrawn is carried as "Current Investments in Partnership firm and Joint venture.

20) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

Contingent assets are disclosed only where an inflow of economic benefits is probable.

Commitments are future liabilities for contractual expenditure, classified and disclosed as estimated amount of contracts remaining to be executed on capital account and not provided for.

21) Segment Reporting

Operating Segment has been identified on the basis of the business activities carried out by the Company. The Company is operating in two segments i.e. Investment and share trading and real Estate segment. Hence as per accounting standard 108, the company has made "segment reporting " for operating segment.

22) Earning Per Shares

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity share outstanding during the period. The weighted average number of equity share outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

23) Dividend

Final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Board of Directors

24) Exceptional items

When items of income and expense within statement of profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

Meghna Infracon Infrastructure Limited
Notes forming part of Standalone Financial Statement for the year ended 31st March 2026
Significant Accounting Policies
1) Corporate Information:

Meghna Infracon Infrastructure Limited ("MIIL") is a public limited company incorporated and domiciled in India. MIIL having CIN L68100MH2007PLC175208 is principally engaged in the business of construction and real estate services and Share Trading and investment. Recently it has diversified in providing construction, real Estate services. Its shares are listed on recognised stock exchange - the Bombay Stock Exchange. The registered office of the Company is located at 102/104 Shivam Chambers, S.V. Road Goregaon West, Mumbai-400062, India. The standalone financial statements ('the financial statements') of MIIL for the year ended 31 March 2026 were authorised for issue in accordance with resolution of the Board of Directors on 26 May 2026.

2) Statement of Compliance:

The Financial Statements comprising of the Balance Sheet, Statement of Profit or Loss, Statement of Changes in Equity, Cash Flow Statement together with significant accounting policies and notes for the year ended March 31, 2026 have been prepared in accordance with "Ind AS" as prescribed under section 133 of the companies Act, 2013 read with the companies (Indian Accounting Standards) Rules as amended from time to time.

3) Basis of Preparation of Financial Statements:

- a) The financial statements of the Company have been prepared on going concern basis, to comply in all material respects with the Indian Accounting Standards ('Ind AS') as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Companies (Indian Accounting Standards) Rules as amended from time to time and guidelines issues by Securities and Exchange Board of India (SEBI) to the extent applicable.
- b) The financial statements have been prepared under the historical cost convention, with the exception of certain financial assets and liabilities, which have been measured at fair value, on an accrual basis of accounting.
- c) The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are presented in ` Lacs ( ` 00,000), except when otherwise indicated.
- d) The statement of cash flows has been prepared under indirect method. Whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company segregated.

4 Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

5. Key accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

A. Deferred Tax Assets:

The realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies and the timing for expiration of such losses under applicable tax laws.

Based on the projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

B. Provisions and contingent liabilities:

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The Company uses significant judgements to assess contingent liabilities. Contingent liabilities are recognized when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognized nor disclosed in the financial statements

6. Revenue Recognition

a) Sale of shares:

Sale of shares is recognized when the settlement of transaction of sale and purchase of securities take place.

b) Contract Revenue:

i) Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expect to receive in exchange for those products or services. The Company derives revenues primarily from providing construction and real estate services.

ii) The Company evaluates whether the performance obligations in construction and real estate services are satisfied at a point in time or over time. The performance obligation is transferred over time if one of the following criteria is met: -

- As the entity performs, the customer simultaneously receives and consumes the benefits provided by the entity's performance.

- The entity's performance creates or enhances an asset (e.g., work in progress) that the customer controls as the asset is created or enhanced.

- The entity's performance does not create an asset with an alternative use to the entity and the entity has an enforceable right to payment for performance completed to date.

The percentage-of-completion of a contract is determined by the proportion that contract costs incurred for work performed upto the reporting date bear to the estimated total contract costs. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved.

c) Other Income:

i) Interest Income

Interest income (other than interest on income tax refund) is accrued on a time proportion basis, by reference to the principal outstanding and the applicable Effective Interest Rate (EIR).

ii) Dividend income

Dividend is recognised when the right to receive the payment is established, which is generally when shareholders approve the dividend.

iii) Other non-operating income

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

7. Fair value measurement of financial instrument:

The Company measures financial instruments, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, In the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

8) Financial assets, financial liabilities and equity instruments:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

Cash and cash equivalents:

The Company considers all highly liquid investments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value, to be cash equivalents. Cash and cash equivalents consist of balances with banks and deposits with bank which are unrestricted for withdrawal and usage.

Financial assets at amortized cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate method. Impairment gains or losses arising on these assets are recognised in the statement of Profit and Loss.

Financial assets at fair value through other comprehensive income:

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments and investment in mutual funds not held for trading in other comprehensive income

Financial assets at fair value through profit or loss:

Financial assets are measured at fair value through profit or loss unless they are measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in statement of profit and loss.

Financial liabilities:

Financial liabilities are measured at amortized cost using the effective interest method.

Equity instruments:

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received net of direct issue cost.

8. Property plant and equipment

A) Tangible Assets

PPE are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to PPE is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss in the same period.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied.

The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Gains and losses on disposals of PPE are determined by comparing proceeds with carrying amount. These are accounted in the Statement of Profit and Loss under head 'Other income' and 'Other expenses'.

B) Capital work-in-progress

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

C) Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of that assets can be measured reliably. Intangible assets are stated at original cost (net of tax/duty credit availed), if any, including borrowing cost capitalised for qualifying assets and reduced by accumulated amortisation and cumulative impairment, if any.

Intangible assets mainly comprise of license fees and implementation cost for software and other application software acquired / developed for in-house use.

9) Depreciation and amortization Expenses

Depreciation on tangible assets is provided on the Written down value basis method over the useful lives of assets. Depreciation for assets purchased/sold during the year/period is proportionately charged. Intangible

assets are amortized over the respective individual estimated useful lives on a written down value basis, commencing from the date the asset is available for its use.

The useful lives are as per Schedule II to the Act except in case of certain assets, where the useful life is based on technical evaluation by management.

Assets Category	Use ful life (in years)
Computers	3 years
Computer Software	3 years
Vehicles	8 years
Air Conditioners	10 years
Furniture and Fixture	10 years
Printers	3 years

10) Inventories

- i. Inventories of shares are valued at cost or Market value whichever is lower. The Stock of construction materials, stores and spares parts are values at cost or net realizable value whichever is lower.
- ii. Stock of material at site include cost of purchase, other cost incurred in bringing them to their present location and condition. Cost formula used is average cost.
- iii. The incomplete projects include cost of incomplete properties for which the firm has not entered into the sale agreements and in other case where the revenue recognition is postponed. Incomplete projects also include initial project cost that relate directly to a (prospective) project, incurred for the purpose of securing the project.
- iv. Expenses incurred during the year are distributed /bifurcate to incomplete project cost on the basis of their investment made up to the year end.
- v. Inventories value includes cost incurred up to completion of the projects viz. cost of land /rights, value of floor space, materials, services and other expenses (including borrowing cost) attributable to the projects. Cost formula used is average cost

11) Borrowing Costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR(effective interest rate) amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they incurred.

12) Foreign Currency Transactions

Transactions in foreign currency i.e. other than the Company's functional currency of India Rupees are recognized at the rate of exchange prevailing at the date of transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rate prevailing at that date. Non-

monetary items carried at fair value that are denominated in foreign currency are retranslated at the rate prevailing at that date when fair value was determined. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated. Exchange difference on monetary items is recognized in profit or loss in the period in which they arise.

13) Employee Benefits

The Provident Fund and Gratuity are applicable as the number of employees cross the threshold limit but the company are less than is yet not registered with Provident Fund authorities. The company is not making any provision of gratuity the required by respective act.

Other Employee Benefits like leave encashment is being accounted on payment basis.

14) Taxes on Income

Tax expenses comprise of current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

a) Current tax

Income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment.

The Company reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

b) Deferred Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on

deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and the deferred tax relate to the same taxable entity and the same taxation authority.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss, either in other comprehensive income (OCI) or in equity. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

15) Events Occurring After the Balance Sheet Date

Events occurring after the date of the Balance Sheet, which provide further evidence of conditions that existed at the Balance Sheet date or that arose subsequently, are considered up to the date of approval of accounts by the Board of Directors, were material.

16) Impairment of Assets

In accordance with Ind AS 109, the Company applies the expected credit loss ('ECL') model for measurement and recognition of impairment loss on financial assets and credit risk exposures. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables and contract assets. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

or recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

17) Trade payables

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for

goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method. Trade payables ageing has been presented based on the due date of payment.

18) Trade receivables

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at transaction price and subsequently measured at amortised cost using the EIR method, less provision for impairment. Trade receivables ageing has been presented based on the due date of payment.

19) Investments

a) Investments are classified into current and noncurrent. Investments are stated as lower of cost and fair value. A provision for diminution in value is made to recognize decline, other than temporary in the value of long investments.

b) Current account in Partnership Firms and Joint Ventures represents additional contribution, share of profit and losses, Interest on Partner Capital's, opening balance, excess withdrawal of funds, additional contribution and share of profits to the extent not withdrawn is carried as "Current Investments in Partnership firm and Joint venture.

20) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

Contingent assets are disclosed only where an inflow of economic benefits is probable.

Commitments are future liabilities for contractual expenditure, classified and disclosed as estimated amount of contracts remaining to be executed on capital account and not provided for.

21) Segment Reporting

Operating Segment has been identified on the basis of the business activities carried out by the Company. The Company is operating in two segments i.e. Investment and share trading and real Estate segment. Hence as per accounting standard 108, the company has made "segment reporting " for operating segment.

22) Earning Per Shares

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity share outstanding during the period. The weighted average number of equity share outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

23) Dividend

Final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Board of Directors

24) Exceptional items

When items of income and expense within statement of profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

INDEPENDENT AUDITOR'S REPORT

To The Member of Meghna Infracon infrastructure limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying statement of Consolidated financial statements of **Meghna Infracon infrastructure Limited** (herein after referred to as "Holding Company") and its subsidiaries (Holding Company and its subsidiary together referred to as "the Group") which comprise the Consolidated Balance sheet as at March 31, 2026 and the Consolidated statement of profit and loss including Other Comprehensive Income, Consolidated statement of changes in equity and Consolidated cash flow statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (herein after referred to as "the Consolidated financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements /financial information of Subsidiaries/LLP/partnership firm the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give true and fair view in conformity with the Companies (Indian Accounting Standards) Rules 2015, as amended, (Ind AS) and other accounting principles generally accepted in India, of their consolidate state of affairs of the Group as at March 31, 2026, of the consolidate profit (including other comprehensive income), changes in equity and its consolidated cash flows for the year then ended.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those

Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

- a) The parent company has not registered with the Employee Provident Fund Organization despite meeting the mandatory employee strength threshold. Consequently, the company has not made necessary contributions to the PF account. The exact amount of liability (including interest/penalties) for the current has not been quantified. Therefore, in our opinion, the Provision for Liabilities to the extent is understated.
- b) The parent company is required to make provision for gratuity in respect of its employees as required under Payment of Gratuity Act, 1972 and also as per new labour code by following accrual basis and conducting the valuation by following independent actuarial valuations as at the balance sheet date as mandated by Indian Accounting Standard -19 on Employee Benefits prescribed in the Companies (Indian Accounting Standards) Rules 2015, as amended. The Company has not made any provision for gratuity and the said non provision is contravention of "Ind AS 19". We are unable to ascertain the financial implication of the same. The net profit for the year and cumulative net profit are overstated and provisions are understated to that extent.
- c) Demand of Rs. 36.84 crores raised by the income tax authorities and order issued by the Income Tax authorities for assessment year 2018-19. Company has filed the appeal against the Order. The Company has been advised by the Tax expert that the above demand order is not tenable in law. The assumption of going concern is essentially dependent on winning of appeal against this order.

Our opinion is modified in respect of these matters

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report thereon

The Holding Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the parent Company's Annual reports, but does not include the consolidated financial statements and our auditor's report thereon. The Annual reports is expected to be made available to us after the date of this report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If based on the work we have performed and based on audit reports of other audit reports of other auditor, we conclude that there is a material misstatement therein, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidate financial statements

The holding Company's Management and the Board of Directors, are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial performance (including other Comprehensive Income), consolidated change in equity, consolidated cash flow statement and other financial information of the Group including its subsidiary in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under section 133 of the Act read with relevant rules issued there and other accounting principles generally accepted in India. The respective Board of directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the

preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, respective Board of Directors/partners of the companies/LLPS/Partnership firm included in the group are responsible for assessing the Group ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors of the group either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the companies included in the group is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on whether Parent Company has adequate internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Groups ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding financial information of such entities or business activities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statement of such entities included in consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. Our responsibilities in this regard are further described in section titled "Other Matter" in this audit report.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced

We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

We communicate with those charged with governance of the Parent Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

- a) We have not audited the financial statements of one Partnership firm, three LLP and one AOP included in the consolidated statement whose financial information reflects total assets of Rs 2323.41Lacs, total liabilities of Rs 1970.65 Lacs as at 31 st March 2026, total revenues of Rs.3868.05 Lacs total net profit after Tax of Rs 295.74 Lacs, total comprehensive Income of Rs NIL for the year ended on that date, as considered in the statement. These financial statements have been audited by other auditors whose audit report has been furnished to us by the management, in our opinion in so far as it relates to the amounts and disclosures included in respect of these entities is based solely on the audit report of such other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements of such subsidiaries, as were audited by other auditors, as noted in the "Other Matters "paragraph, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the consolidated financial statements have been kept by the Company so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated statement of change in equity and consolidated cash flow statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial Statements comply with applicable Ind AS specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016, as amended from time to time and other accounting principles generally accepted in India.
- e) On the basis of the written representations received from the directors of the parent Company as on March 31, 2026 taken on record by the Board of Directors of the Parent Company, none of the directors of the company is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act. Being the subsidiaries company of the parent company is partnership firm, the provision of section 164(2) of the Act, is not applicable to them.

f) As required by the Companies (Auditor's Report) Order, 2020("the Order") issued by the Central Government of India in terms of sub section (11) of section 143 of the Act, as required by the Clause (xxi) of the Order, we state that being the subsidiaries are partnership firm the above Order is not applicable to them.

g) With respect to the adequacy of the internal financial controls with reference to Consolidated Financial Statements over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

h) With respect to the other matters to be included in the Auditor's Report under section 197(16) of the Act, as amended:

In our opinion and according to information and explanations given to us and based on the reports of statutory auditors of the subsidiary Companies, the remuneration paid during the year by the respective Companies to its Directors is in accordance with the provisions of section 197 read with schedule V of the Act.

i) With respect to other matters to be included in the Auditors Reports in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiary, as noted in the other matters paragraph:

i. The Consolidated financial statements disclose the impact of pending litigation as at March 31, 2026 on its consolidated financial position of the group – Refer Note 30(ii) to the consolidated financial statements.

ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the parent company and its subsidiary during the year ended 31st March 2026.

iv. (a) The management of the parent company and its subsidiary has represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the group to or in any other persons or entities including foreign entities ("intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the group or provide any guarantee, security or the like form on behalf of the Ultimate Beneficiaries.

(b) The management of the parent company and its subsidiary has represented that, to the best of its knowledge and belief, no funds have been received by the group from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Group shall directly

or indirectly , lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee , security or like form on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures as considered reasonable and appropriate in the circumstances , nothing has come to our notice that has caused us to believe that the representations under clause iv (a) and (b) contain any material misstatement.

(v) The Parent Company has declared or paid interim dividend during the year is in compliance with section 123 of the Act. Subsidiary being the partnership firm the above provision not applicable to them.

(vi) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

ANNEXURE-A

TO INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENT OF M/S MEGHNA INFRACON INFRASTRUCTURE LIMITED FOR THE YEAR ENDED MARCH 31, 2026

(The Annexure referred to in paragraph 2(g) under the 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013. ("The Act")

We have audited the internal financial controls over financial reporting of **Meghna Infracon infrastructure Limited** ("the Holding Company") as of March 31, 2026 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for the Internal Financial Controls

The management of the Holding Company and subsidiaries companies (Partnership Firm/LLPS) are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its subsidiaries Companies (Partnership Firm/LLPS) have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company and its Subsidiary considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

d) Rights, Preferences and Restrictions attached to equity shares

The Company has single class of equity shares of ₹ 10 per share. Accordingly, all equity shares rank equally with regard to dividend and share in the company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share of the paid-up equity capital of the company.

Failure to pay any amount called up on shares may lead to forfeiture of the shares

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

e) The Company has not allotted any share pursuant to contract(s) without payment being received in Cash during the period of 5 years immediately preceding the Balance Sheet date

f) The company has not bought back shares during the period of 5 year immediately preceding the Balance Sheet date

g) The Company has not reserved any share for issue under options and contracts or commitments for the sale of shares or divestment or disinvestment.

h) The Company has issued bonus shares during July 2025 in the ratio of 1:1 (i.e. one bonus equity shares of face value of Rs 10/- each for every one existing Equity share of Rs 10/- each). During the quarter 10861875 equity shares were allotted to the eligible holders of the equity shares on the record date 08/07/2025 as bonus shares by capitalising share premium account and surplus in profit & loss account.
